

TAC Park Run Winter Age Graded Grand Prix Series 2014-15

To follow on from the Summer grand prix series, the following dates have been allocated the following 9 races at **Tonbridge Park Run** as qualifiers for the Winter Grand Prix series.

The 4 best results, after the results have been sorted according to age grade, for each athlete will count towards their total. The athlete who scores the highest age grade result will be awarded points according to the number of TAC runners taking part. i.e. if 16 take part they will be awarded 16 points. There will be a minimum of 10 points for the winner. Each athlete in the list is then awarded points according to their finish position with the athlete with the lowest age graded percentage scoring 1 point.

Athletes may take part in all nine events, but only their highest 4 results will count. This will hopefully allow for bad weather. In the event of Tonbridge Park Run being cancelled due to bad weather the event will switch to Tunbridge Wells for that date.
